

How to figure out your Inscription Brick

In determining your inscription on the brick, pay close attention to the number of characters per line and lines per brick. Our brick vendor has determined that this is the maximum number of characters and lines allowable per brick.

You will note that you are allowed more characters per line and lines per brick on the \$300 & \$500 brick.

\$ 200 Brick

I	N		M	E	M	O	R	Y	
				O	F				
J	O	H	N
